STATEMENT:

Air Force General Dentists,

I am excited to submit my intent to run for President-Elect. It has been my pleasure to represent the AF Constituent of Region 17 over the past 4 years, both as Secretary and Membership Chair. I have always been a proponent of organized dentistry and would appreciate your support. The AGD's focus on advocacy, evidence-based practice, quality continued education and mentorship are vital to our profession and align well with our core values. There are a lot of changes taking place within the AFMS and DHA, but I think we can contribute and influence those changes if we have a collective voice. I welcome discussion about the future of our profession, our Corps, and our Air Force. Consider my fully dedicated to continually representing you!

STATEMENT:

AGD Constituents,

I am excited to run on this ballot for AGD Region 17 Treasurer. It has been my pleasure to have served in my first AGD executive position as Secretary for the past two years. During that time, I have gained significant knowledge in how the Academy of General Dentistry and the Air Force can work together in

order to further our profession. If I get elected Treasurer, I look forward to finding ways to use our dues to be of the most benefit for us as members and to increase overall membership numbers to have a bigger voice at the AF and AGD level.
